**If your office uses a clearinghouse service, the following information will be helpful in billing FamilyCare electronically. FamilyCare receives EDI through Ingenix®, formerly known as ENS Health. Notify your clearinghouse of FamilyCare's Payer ID Numbers:**

**For Medicaid Claims: FCD01**

**For Medicare Claims: FCR01**

**For MHO Claims: FCM01**

**If you are unable to bill us electronically, the following will allow a shorter turnaround time in processing your claims:**

- **Red Forms Only**
- **No Hand Written Claims**
- **No Dot Matrix**
- **The Payer ID needs to be in Box 11c**

**Please contact Provider Relations if you have any questions at: 503-471-2149 or 800-335-3205 (Option 3).**
